Montana Medicaid Notice

Federally Qualified Healthcare Centers

Type of Bill 731 Now Allowed

With the implementation of the new Coordination of Benefits Agreement (COBA), which allows Medicare claims for dually eligible clients to be sent directly to Medicaid, Montana Medicaid has made several changes. One of those is to allow type of bill 731 for FQHCs. FQHC claims will continue to process as non-crossovers (TPL) for pricing.

Valid bill types for FQHCs are now 731 and 791.
